Meet Carrie Mattern, Our Logo Designer

Carrie has been producing the ALC logo for several years. She creates graphic design and copywriting that looks pretty, sounds punchy, and is effective. Educated at the Arts Institutes International, she worked for agencies in Calgary and Vancouver before opening her own business, *Meddhead Productions*, in 2000. You may have seen her work elsewhere: BC Ferries, Mark's Work Warehouse, and the City of St. Albert are among those who have had Carrie produce work for them. The process involves brainstorming what the logo is to represent and creating an expression of how it feels, which includes several

hours and a thesaurus, before adding colour.

Carrie is an artist, a wife, a mom, a fierce battler of MS and the daughter of a man who was attacked by pirates. Want to know more?

Alberta Library Trustees Association

The proposed 2013 budget was passed; details will be available on the ALTA website. ALTA passed a membership increase of 20%, effective January 1, 2014. There has not been an increase in ALTA membership fees since 1999.

Meet the ALC Planning Committee

All the work on the Conference Program, Session Presenters, the Website, Conference at a Glance, the Scorecard, the social events, the themes, and the images, is done by volunteers. This not only helps to keep the conference registration costs down, it highlights the talents of our fine library staff and trustees.
